### Electric Supply Product Summary: Leicester Standard *From Leicester Community Electricity Aggregation*

You will receive an electric supply product from Leicester Community Electricity Aggregation. Your electric utility will continue to deliver the electricity you use to your home.

|   |  |
|---|--|
| Price   | 10.455 cents per kWh. This does not include the price that your electric utility will charge you for the delivery component of your electric service.  |
| Term  | The above price will remain constant from enrollment to December 2024.   |
| Early Cancellation Fee  | There is no cancellation fee. You may leave this product at any time after you have enrolled with no fee or penalty.   |
| Automatic Renewal   | You will be automatically enrolled at a new price at the end of the contract term unless you inform the Town otherwise. The new price may be higher or lower than the existing price and the voluntary renewable energy content may change. The Town will contact you no later than 30 days before each automatic renewal to notify you of your supply options.                                      |
| Renewable Energy Content  | The Commonwealth of Massachusetts requires that all electric supply products include a minimum of 49% renewable energy resources in 2021, 51% in 2022, 59% in 2023, and 62% in 2024. This product meets the minimum requirement.   |
| Rescission Period   | If you received this form as part of an automatic enrollment notice, you have until the deadline indicated on the notice to opt-out and not be enrolled. You may leave this product at any time after you have enrolled with no fee or penalty.  |
